## GOLF

### The Ruby:

With trade winds always blowing on every hole, coupled with a challenging new Fazio design, THE RUBY provides an excellent golf experience. The Fazio design groups reshaping of fairways, bunkers and greens have taken this Joe Lee design to a new level of play. Numerous sugar white bunkers gives the eye a pleasing contrast against the emerald colored fairways and greens, but steer clear of these steep lipped traps or the results may not be sweet.

**LENGTH OF COURSE - 6750 yards Par/Slope/Rating - 72/122/72.3**

### The Emerald

THE EMERALD is cut through thick and beautiful vegetation, but has wide fairways and landing areas. The greens are well protected with numerous bunkers and sand come in play on several of your drives. This course allows you to pull the "Big Dawg" out on all of the par 4's and 5's and from the back tees a couple of the par 3's might need the driver. The Fazio Design Group has turned this course into a challenge for all levels of play.

**LENGTH OF COURSE - 6679 yards Par/Slope/Rating - 72/121/72.3**
